

# THE RESTORED LIFE

## A STUDY OF HAGGAI

### IDENTIFY • HAGGAI 2:20-23

WEEK FIVE

GROUP DISCUSSION GUIDE

OPENING  
PRAYER

- Begin your time by praying that God would reveal himself to you and that you would release your self to Him.
- Ask the Lord's presence to be real in your group time and that the Holy Spirit would guide and convict each of you in order to move to greater Christlikeness.

READ  
TOGETHER

Read Haggai 1:20-23

*Since this is a very short book of the Bible, you may want to read the entire book to get a greater sense of the context of the passage.*

GROUP  
DISCUSSION

- Describe a time when you struggled with identity. This could be in a personal way, a professional way, or a social way.
- Have you been guilty of deceiving yourself to believe you are fine, when in truth you are living in unrepentant sin?
- How does it feel when you read a passage like 1 Corinthians 6:19-20 that says that you are not your own? Are you comfortable with the fact that you are a possession of God? Why or why not?
- What does it mean to have spiritual authority? How do we access this authority?
- How encouraging is it to know that those who have repented and trusted in Christ are God's "chosen ones"?
- How can you reflect on God's compassionate love for you?

CLOSING  
PRAYER

- Pray that all of you would truly embrace God's identity.
- Pray for the needs of each of your group members.
