GROUP DISCUSSION

- How do you give evidence in your daily life that you believe God's word to be powerful?
- Does your church rightly recognize the authority of the preacher, without elevating him beyond where any person should be?
- Are you a regular repenter? If not, is it possibly due to your lack of time in God's Word?
- In what ways does your life and worship reflect "the fear of the Lord?"
- How might the truth that God is with you encourage you to Christian faithfulness today?
- Are you trying to lead today in your own strength? How might you be able to rest in the strength that only God can supply?
- Where is God stirring in you to obey Him? What area of your life is God leading you to obey Him more fully?

CLOSING PRAYER

1. Pray that you would sense the stirring of God.
2. Pray for each other's needs.
3. Pray that you would live in dynamic obedience to God.
4. Pray that the work of God would begin and that He would use you in His work.
