DISCUSS

1. Why is submission so difficult of a subject to discuss? What are some common fears around the concept of submission? How has this concept been abused by Christians?
2. What struggles have you had in the area of submission (to the Lord and in marriage)?
3. Wives, should you desire to win the hearts of your husbands? Why or why not?
4. How do you develop your inner life? Why is this important to your marriage?
5. Why are godly mentors important? How can you find a godly mentor? Do you have someone like this in your life? If so, describe how this person is helpful to you.
6. What can you do to improve your marriage?

PRAY

1. Spend some time praying for the marriages in your group and in our church. Ask the Lord to protect us from Satan getting an advantage in our marriages.
