DISCUSS

1. How is the message different to husbands in this text than it is to wives?
2. Do you see a problem with cohabitation among unmarried couples? Why or why not?
3. What does it mean for a husband to “be present”?
4. How can a husband demonstrate respect for his wife?
5. Why is the term “weaker vessel” when it refers to women offensive to some? Should it be? Why or why not?
6. Do see advantages than men have over women today? What are some? How can husbands demonstrate love and respect for their wives in these circumstances?
7. Why is it important for men to live with their wives in an understanding way? What effect does this have on their spiritual lives?

PRAY

Spend time praying for marriages. Pray for the marriages in our church and the marriages of those outside the church. Pray that our marriages would proclaim the gospel to a watching world.
